

Recommended Graphic dimensions for Baseline panels

Front (recess side) graphics should be made 6mm per side smaller than the panel

i.e. for a 900 x 600mm panel the graphic dimensions should be 888 x 588mm approx

Rear (flush side) graphics should be made 12mm per side smaller than the panel

i.e. for a 900 x 600mm panel the graphic dimensions should be 876 x 576mm approx

Recommended Graphic dimensions for Contender panels

Both sides - graphics should be made 12mm per side smaller than the panel

i.e. for a 900 x 600mm panel the graphic dimensions should be 876mm x 576mm approx
